You may not disclose this confidential information to anyone other than your employees or consultants who need access to the confidential information to carry out their duties and who are bound by appropriate confidentiality or nondisclosure agreements.
- 7. UPGRADES.** To use software identified as an upgrade, you must first be licensed to use the software identified by inMusic as eligible for the upgrade. Also, you may not sell or transfer the original software separately from the upgraded software. See section 10 (Software Transfer) for more detail about transfers.

14. **LIMITATION ON AND EXCLUSION OF DAMAGES.** Except for liability for death or personal injury caused by inMusic's negligence or fraud, or other liability that cannot lawfully be excluded or restricted, you may recover from inMusic and its suppliers only direct damages up to the amount you paid for the software. - hardware provided with the software;
- third party content, including programs and information; and
- claims for breach of contract, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if:

- inMusic knew or should have known about the possibility of the damages.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to you. The limitation or exclusion also may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.

 - 16.2. **Outside the United States.** If you acquired the software in any other country, the laws of that country apply.
 - 16.3. **Legal effect.** This agreement describes certain legal rights. You may

have other rights under the laws of your state or country. You may also have rights with respect to the reseller from whom you acquired the software. This agreement does not change your rights under the laws of your state or country if the laws of your state or country do not permit it to do so.

17. ENTIRE AGREEMENT. This agreement and any additional terms provided with supplements, updates, Internet-based services and support services that you use or purchase, are the entire agreement for the software and related services.

18. SEVERABILITY. If any provision of this agreement is legally invalid, the agreement shall endure except for the invalid provision. However, if a court determines that any provision is invalid, the court may limit the provision, delete specific words or phrases, or replace the invalid provision with a provision that is valid and that comes closest to expressing the intent of the invalid provision.
